# Guidance for Armed Forces Families

**Let your school know that  
you are an Armed Forces family**  
(Regular, Reserve, Ex-Service or Veteran)

**Help your child get the very best  
support from their Scottish school**

The Armed Forces Covenant aims to remove any disadvantage to Armed Forces children brought about by their parents' service. There is a commitment to support your child's learning journey through education. All local authorities in Scotland have a responsibility to the Armed Forces Covenant.
